# RIVA AQUARIVA SUPER 33'

The Aquariva 33 is a masterpiece of Italian design and maritime craftsmanship — a modern classic that embodies the spirit of La Dolce Vita. Built by the iconic Riva shipyard, this 10-meter open yacht features graceful lines, polished mahogany finishes, luxurious leather seating, and a powerful twin-engine setup that delivers both performance and style.

Powered by 2 x 6LY2A-STP Yanmar engines, the Aquariva 33 reaches a maximum speed of 41 knots and cruises comfortably at 20 knots, ensuring a swift yet smooth ride along the Athenian Riviera and surrounding islands. Its 2.8-meter beam and shallow 0.97-meter draft allow easy access to secluded coves and pristine beaches.

Perfect for elegant day cruises, proposals, special occasions and exclusive private events, the yacht accommodates up to 6 guests plus 1 crew member, providing intimate luxury and personalized service. The open layout includes a spacious sun deck, a comfortable cabin, and essential amenities for a flawless experience.

Whether used for weddings, VIP transfers, photo shoots, campaigns or bespoke charters, the Aquariva 33 promises comfort, sophistication, and unforgettable memories on the water — a seamless blend of tradition, innovation, and timeless style.
