## ABOUT MEDITERRANA YACHTS

Mediterrana Yachts is a boutique yacht rental company based in Athens, Greece, created for those who seek more than a standard charter experience.

Specialising in the rental of the legendary and iconic Riva Aquariva 33, we offer access to one of the most celebrated yachts ever crafted—now available in Greece.

Our vision is to fuse the timeless beauty of yachting with a deep passion for luxury and high-end aesthetic. Rather than traditional cruising, Mediterrana Yachts focuses on curated rentals for wedding shoots, fashion campaigns, brand productions, and cinematic projects, where design, atmosphere, and visual impact matter above all else.

Each experience is carefully tailored, ensuring that every moment on board reflects elegance, craftsmanship, and Mediterranean sophistication.
